

SKIRTING 62 F

DESCRIPTION

SKIRTING 62 F is a profile in flexible non-toxic vinyl resin suitable as skirting board for any type of flooring. Its particular section, which allows to cover perimeter joints of 12 mm, combined with the range of available colors, make it a highly sought after profile.

MATERIAL

SKIRTING 62 F is a flexible non-toxic vinyl resin skirting board profile with good chemical resistance. It is equipped on the back with a knurled surface that guarantees a perfect grip with the adhesive. The profile, with heights of 60 and 120 mm, is available in the colour white, light grey, dark grey, brown, dark brown and black. It is available with and without adhesive and could cover 12 mm perimetral joints. The range of available colours and the ease of installation, make **SKIRTING 62 F** a much sought after profile.

AREAS OF USE

SKIRTING 62 F in flexible non-toxic vinyl resin is suitable for any indoor flooring.

WARNINGS

Do not use **SKIRTING 62 F** in flexible non-toxic vinyl resin, outdoor.

MAINTENANCE

SKIRTING 62 F does not require any special maintenance; it is suggested to clean it with normal household cleaning products.

LAYING INSTRUCTIONS

1. Choose "**SKIRTING 62 F**" according to the desired colour.
2. Cut "**SKIRTING 62 F**" to the desired length.
3. Remove all remains of oil, grease and dirt from the surface where the profile will be laid.

Adhesive version

4. When the surface is perfectly dry, remove the silicone film, place the profile correctly and press it without hitting.

Without adhesive version

4. When the surface is perfectly dry, apply silicone, place the profile correctly and press it without hitting.
