

Progress Profiles: personalize your skirting 7016 and 7011!

Progress Profiles allows now to personalize **Proskirting 7016** and **Proskirting 7011** with images and decorations. A cutting-edge technology transfers the chosen image on a paper pellicle that is protected by a paint of class AC1 or superior, with adhesives and resistant and cross-linked systems without variations in color, shadows and shades. **Proskirting 7016** and **Proskirting 7011**, realized in expanded vinyl resin and already available in white, black, silver and in over 30 wood-effect finishes, give a touch of personality to indoor and outdoor spaces.
