

# FULL SQUARE TUBE

TQP...08C

TQP...10C

## DESCRIPTION

**FULL SQUARE TUBE** is an aluminium profile. Its particular section and the availability in two finishes, make it a profile that can be easily matched with any kind of material.

## MATERIAL

**FULL SQUARE TUBE** is a profile in anodized silver and gold aluminium. The profile is available in the measures of 8x8, 10x10 mm.

The availability in two different finishes and two different measures make it a much sought after profile

## AREAS OF USE

**FULL SQUARE TUBE** in anodized aluminium is suitable for indoors environment where good resistance to mechanical and chemical stresses are required.

## WARNINGS

Do not use **FULL SQUARE TUBE** in anodized aluminium outdoors and in environments where aggressive substances are used. Clean immediately the surface of the profile from all remains of adhesive or grout after laying; the permanence of these substances on the surface may lead to formation of non-removable aluminium hydroxide (dark halos).

## MAINTENANCE

**FULL SQUARE TUBE** does not require any special maintenance. It is suggested to clean it with normal household cleaning products.

## LAYING INSTRUCTIONS

1. Choose "**FULL SQUARE TUBE**" according to the desired finish.
2. Cut "**FULL SQUARE TUBE**" to the desired length.
3. Remove carefully any remains of oil, fat and dirt from the surface where the profile will be laid.
