

TERMINAL

DESCRIPTION

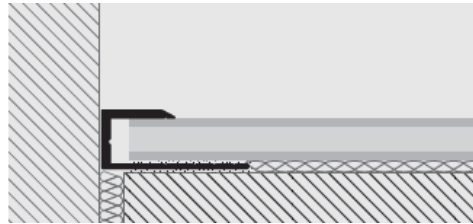

TERMINAL is a "C" shaped profile that allows to finish the wood and laminate floors along the perimeters and that works as an expansion joint. Its particular design and the availability of several finishes, make it a much sought-after profile that can be used with any wooden and laminate floor.

MATERIAL

TERMINAL is a "C" shaped profile that allows to finish the wood and laminate floors along the perimeters and that works as an expansion joint. The profile has a visible surface of 15 mm and a height of 7 / 9 / 11 / 13 and 15 mm. It is covered with a vinyl resin film with wood - effect; the vinyl resin film is very resistant to abrasion (AC1 class), UV rays and to commonly used cleaning products. Its particular design and the availability of several finishes make **TERMINAL** a much sought-after profile that can be used with any wooden and laminate floor.

AREAS OF USE

TERMINAL in aluminium covered with vinyl resin film with wood effect are suitable for indoors environment where good resistance to mechanical and chemical stresses are required.

WARNINGS

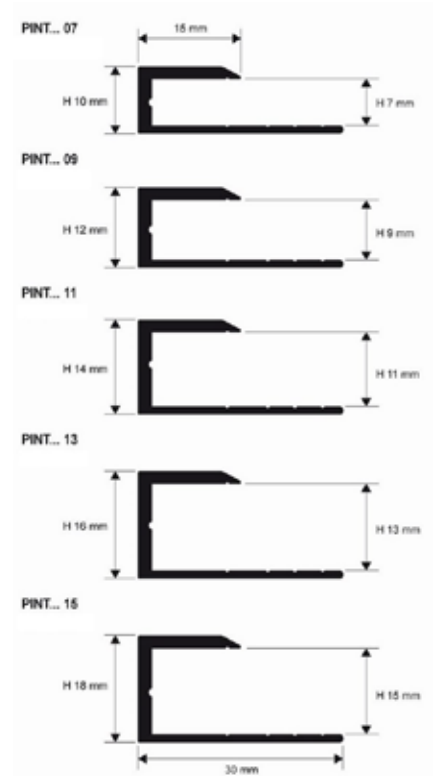

Do not use **TERMINAL** in aluminum covered with a vinyl resin film with wood-effect in the swimming pool, outdoor and in environment where there is a high mechanical abrasion.

MAINTENANCE

TERMINAL does not require any special maintenance; it is suggested to clean it with normal household cleaning products.

LAING INSTRUCTIONS

1. Choose "**TERMINAL**" in the desired finish and according to the thickness of the floor.
2. Cut "**TERMINAL**" at the desired length and fix it with adhesive or screws.
3. Lay the wooden floor or laminate threading it into the "C" shaped cavity making sure to leave a joint of 5 mm.

TEXT TEMPLATE FOR TENDERS

Supply and installation "C" shaped profile that allows to finish the wood and laminate floors along the perimeters and that works as an expansion joint. The profile, covered with a vinyl resin film with wood - effect, has a visible surface of 15 mm and a height of 7 / 9 / 11 / 13 / 15 mm, like **TERMINAL** of the Progress Profiles company.
